Shore Lodge’s culinary program focuses on seasonal and regionally sourced ingredients such as grass-fed lamb from Hailey, Idaho and huckleberries picked in McCall.

THE NARROWS STEAKHOUSE

Recently awarded *Wine Spectator’s* 2019 Restaurant Award for its outstanding wine program, The Narrows Steakhouse is Shore Lodge’s newest dining concept, debuting January 2018. Open for dinner daily from 5:30pm to 10pm, and offering panoramic lake views from every table, The Narrows Steakhouse replaces Shore Lodge’s former fine dining option, The Narrows, and offers an inspired regionally-sourced menu. Fully rooted in an authentic Idaho setting, the intimate steakhouse offers three different settings: the main dining room, which seats 46 people; a secluded wine room that seats up to 16 guests; and a mountain-modern wine cellar detailed with reclaimed wood and glass walls, that houses just over 2,000 bottles of wine with 480 labels. The Narrows Steakhouse is designed to give every guest a warm and inviting place to enjoy dinner with breathtaking views and presents a stately atmosphere with lodge-inspired furnishings set in a modern way while preserving the sense of place.

THE BAR

Drawing influence from the area’s mining and timber-town heritage in its design, The Bar offers guests and locals a welcoming community spirit, perfect for an evening out with friends and loved ones. A robust wine list, hand crafted cocktails, and local, regional and international craft beers compliment the small plate, tapas-style menu. The Bar debuted in December 2017 and is open daily 3pm – close.
