

The 20 Best Mountain Towns To Visit in the U.S.

By Liz Flynn

December 2021

McCall, Idaho

[As Expedia says](#), if you're a sucker for old movies, you might recognize McCall as the setting of the 1940's western, "Northwest Passage." Even if you don't, there's still every reason in the book to pay the town a visit, from taking a skate around the Manchester Ice Rink to cheering on the McCall Curling Club from the stands. For dinner, stop by Steamers Steak and Seafood to fill up on big plates of Idaho ruby rainbow trout, baked shrimp scampi, and juicy sirloin steaks. If you don't mind splashing the cash for a bit of luxury, an overnigher at the super swanky **Shore Lodge** won't disappoint.
