TRAVEL+ LEISURE

The 15 Best Resorts in the Western United States

The best resorts in the western United States, according to *Travel + Leisure* readers, beckon travelers who appreciate an easygoing sense of sophistication.

By [Hannah Walhout](#)

Travelers to the western U.S. are so spoiled for amazing places to stay that many states in the region — Arizona, California, Colorado, Montana, Utah, and Wyoming — get their own lists in *Travel + Leisure's* World's Best Awards. But resorts in other parts of the West should still be on travelers' radar, especially for anyone in search of stunning forests, slopes, and shores...sans the crowds.

Every year for our [World's Best Awards](#) survey, [T+L asks readers](#) to weigh in on travel experiences around the globe — to share their opinions on the top hotels, resorts, cities, islands, cruise ships, spas, airlines, and more. [Hotels \(including safari lodges\) were rated](#) on their facilities, location, service, food, and overall value. Properties were classified as city hotel, resort, or safari lodge based on their locations and amenities.
