May 29, 2025

Hosted at the picturesque Shore Lodge in Idaho, Natalie and John's wedding embraced a refined, contemporary aesthetic with thoughtful details, like the minimalist black-and-white stationery by Something Lettered Designs. Natalie wore a clean, structured gown while the bridesmaids opted for soft satin dresses in champagne and mauve tones. A floral-lined aisle led to a ceremony framed by a stone fireplace, followed by a reception featuring modern rentals from EventRent.
